Alice B. Fagan Death Occurs In Hollywood

Edward T. Harrison's Mother-in-Law Dies Day After Grandson

Disclosing that Mrs. Alice Bennett Fagan of Hillsborough, mother-in-law of Edward T. Harrison of Redwood City had followed in death by a day her nine-year-old grandson, James Edward Harrison, the will of the widow of the late San Francisco banker was filed in superior court Tuesday.

According to a petition for special letters of administration, filed by the Crocker First National Bank and immediately granted by Judge A. R. Cotton, Mrs. Fagan died last Friday in Hollywood, where she had recently been making her home although maintaining her residence in San Mateo county.

WIDOW OF JAMES FAGAN

Mrs. Fagan was the widow of James Fagan, who died January 25, 1935. He was executive vice president of the Crocker bank.

In her will, probate of which it was indicated by the law firm of Morrison, Hohfeld, Foerster, Shuman & Clark will be asked within a few days, Mrs. Fagan bequeathed her estate to relatives and friends. Value of the property was estimated merely at "over $10,000."

After specific bequests, the residue of the property is to go to Mrs. Fagan's three sons, Paul I. Fagan of Hillsborough and Harold and James Fagan of Los Angeles. Her daughter, Doris Fagan Harrison, who died April 4 at Woodside, was to have shared in the estate also, but under terms of the will, which had been drawn April 1, her estate will go to her daughter, Edna, 6.

The specific bequests include $2,000 to Adrienne Fagan, daughter of Harold Fagan; $2,000 to the late James Edward Harrison; $2,000 to Edna Harrison; $1,000 to J. K. Watts, Mrs. Fagan's chauffeur; $1,000 to a friend, Gladys Meyer; jewelry and personal property to various relatives and friends; and a trust fund paying $100 a month while he is in college to Jerome Bennett Fagan, son of Harold Fagan.

In death of their mother, the Fagans also receive the estate of their father. Inventoried by an appraiser at $438,789.61, the senior Fagan's estate was put in trust for his wife as long as she lived. On her death it was to be divided equally between her four children or their survivors. As a result, each of the three sons will get a fourth, Harold and Paul's in cash and James' in trust, with little Edna Harrison inheriting the other quarter, under terms of the late financier's will, which is on file in superior court here.

Burial of Mrs. Fagan, it was understood, will be at Cypress Lawn Cemetery.

Local Moose Win Honors

Groce Elected State Treasurer; Publicity Department Second

With two honors won for Redwood City, local delegates to the three-day San Diego convention of the Loyal Order of Moose were back at their homes today.

Frank Groce of this city was named state treasurer, succeeding Frank Hollander of Pittsburg. Other officers elected are Ralph Salisbury, Santa Rosa, president; Joseph J. Weger, Oakland, secretary; Jake Wade, Los Angeles, prelate; Robert Jerome, Bakersfield, sergeant-at-arms, and Ray Minner, Taft, inner guard. George Pollock of Salinas was elected vice president of the bay district.

Second honor to come to Redwood City was the achievement of second award for publicity, Santa Rosa's lodge having won first. R. H. Parker is local publicity chairman.

Attending the convention from here were Groce, Parker and Frank Piersen. Eighteen other lodge members from the bay region were among the 3,000 attending.

Next year's convention will be held in Sacramento.

Among those appearing at the San Diego session were the national supreme dictator of Canton, O.; the grand regent of the Women of the Moose, Mrs. Jane Debus, of Pennsylvania; and other notables. The Salinas lodge degree team, which has been seen in action here, won the state championship. It will be sent to the national convention in Cleveland next year. Highlight of the convention, returning delegates said, was the brilliant parade of Saturday afternoon.

CITY LOWERS ASSESSMENTS BY $493,319

Tax Roll Is Approved At $12,573,595 At Hearing

A tax roll of $12,573,595, $493,319 less than last year, was approved Monday for the year 1936-37 by the city council meeting as a board of equalization.

Earlier the members, meeting as a council, passed two resolutions to prevent delay in the calling of bids for the dredging of Redwood harbor, authorized signing of a contract creating a city publicity department to be handled by the local chamber of commerce, and went on record as opposing advertising of dances held with council permission in Redwood City taverns and cafes.

If the value of the city's public utilities were added to the tax roll, the figure would be $14,374,785, according to Assessor Mrs. Nelle Miramontes. Assessment of the four Redwood City districts were: annex, $7,747,695; old town, $5,692,610; South Redwood, $904,123; and Carmelita Manor, $30,357.

The reductions in valuation were spread as follows: Eastern addition, Hancock addition, portion of Diller addition, El Camino Real frontage and Oak Knoll Manor, $336,175; Bayshore acreage, $58,544; sundry reductions on improvements, $98,600.

One of the resolutions pledged the city to contribute $94,000 in cash prior to the awarding of any contract for improving the navigable channel in Redwood Creek. The other pledged the city to furnish the United States government suitable areas for disposal of dredge material so that future maintenance of the channel will be possible.

Rancher Is Injured As Horse Rears, Falls

Woodside, Aug. 11—Henry Johnson of Portola, employe of the Ormondale ranch, was in Palo Alto Hospital today suffering from serious injuries including a fractured hip as the result of an accident suffered yesterday while he was driving cattle on the ranch.

The horse which Johnson was riding reared and fell backward, throwing the rider to the ground.

Charles Strong, also of the Ormondale, who was riding with Johnson, removed the injured man to the hospital.

Johnson, a member of the local fire department, has been on the ranch several years.

$13,459 Suit Follows Menlo Park Collision

Compensation totaling $13,459.50 for injuries suffered in a collision on Cambridge street in Menlo Park May 21 was sought in a suit filed in superior court today against Lois and William Whitaker. Godfrey. T. Fallen asks $10.000 for personal injuries and $859.50 expenses; his wife, Helen, seeks $2,500, and for their 3-year-old daughter, Ethel Jean, they ask $1,000. The action was brought through Atty. M. I. Cronin, San Francisco.

BOARD DELAYS HARBOR PLEA EXTRA WEEK

Office Building Plan Also Is Continued For More Study

Three matters vitally important to San Mateo county remained on the supervisors' calendar for future action today and one was off completely as the result of action taken by the county board at its late afternoon session Monday.

To be brought up again next Monday is the question of an appropriation to Redwood City's proposed port development.

Postponed for a week at the August 3 session of the board, the question of the county's aiding the local harbor by $50,000, $30,000 of it during the coming fiscal year and $20,000 in 1937-38, was delayed another week at request of Mayor Paul McCarthy, who was unable to be here Monday because of an enforced appearance in the appellate court on private business. Request for the delay was conveyed to the supervisors through Dist. Atty. Gilbert D. Ferrell.

Due for consideration again in two weeks is the proposal to build an office building or annex to the courthouse to take care of departments now housed in rented buildings.

Steve Clemente, who throws knives for movie thrills, is a descendant of Yaqui Indians. He also supplies Indian "sign language" for actors when they need it.

Chamber Represented At Highway Session

President Perry Bygdnes, Secretary-Manager Roscoe Wyatt and former Mayor Charles G. Lambert represented the local chamber of commerce at Monday's Oakland meeting at which the state highway commission promised the dangerous Altamount Pass "bottleneck" will be removed as soon as possible after next January 1. Lambert was one of 30 speakers who urged elimination of the narrow winding grade. Commission Chairman Harry Hopkins asserted there was "no controversy over the need of a new and wider highway over Altamont Pass. It is only a question of finances.'

Amount Determined Of WPA Back Wage

Exactly how much WPA workers have coming in retroactive pay from May 4 to July 1 was being determined today by clerks in County Engineer U. S. Marshall's office in preparation for submission to Works Progress officials of a request that the back wages be made up to the workers. It had previously been estimated the amount would be about $5,600.

Belmont Tax Rate Set at 60 Cents On $7200 Budget

BELMONT, Aug. 11—Belmont's City Council, meeting here last night, set the tax rate for the coming year at 60 cents per $100 valuation—10 cents less than last year's rate.

The levy will include 50 cents for general purposes and 10 cents for Belburn Village Bonds.

The budget for the coming year calls for expenditure of approximately $7,200.

The council denied a permit to E. Dettner to erect a 12-foot board fence around his Belle Monti property as a windbreak, holding that to grant the application would set a precedent which if used by others would soon destroy beauty of the section.

The fire commission, also meeting last night, postponed the setting of a date for formal opening of the new firehouse pending completion of sidewalk work.

Suspect Fined $25 On Reckless Charge

SAN MATEO, Aug. 11.—Willis Kaesch, 29-year-old Hawthorne butcher, was fined $25 for reckless driving when he appeared here today before City Judge Arthur H. Stetson. He was originally arrested on a drunken driving charge, which was reduced. The youth also cleared himself of complicity in the attempted burglary of the Daniel C. Jackling home at Woodside, according to Capt. Paul Perussina of the highway patrol.

HOUSE NUMBERING SET FOR RURAL DISTRICTS

Huddart Park Plans Blocked; Beach Lot Sale Is Planned

Houses in unincorporated areas of San Mateo county will soon be numbered and signposts will designate the street names if plans made by the county supervisors at their late afternoon session Tuesday are carried through to completion.

After hearing a renewed request of the Palo Alto Park Property Owners' Association for house numbering, the board, on motion of Supervisor Albert Witt Jr., second of John Poole, voted to authorize Engineer U. S. Marshall to draw up a program of house numbering for the entire county.

Marshall reported that he already was working on a WPA project to sign all the roads in the county.

LEGAL OBSTACLE BLOCKS HUDDART PARK PLANS

A legal obstacle was thrown in the path of San Francisco's move to develop the late James M. Huddart's 973-acre wooded estate near Woodside as a public park.

Dist. Atty. Gilbert Ferrell advised the board of supervisors that it could not legally agree to cancel taxes on the property if the City of San Francisco would develop it as a park.

The cancellation had been urged by the recreation commission. It had been approached by a San Francisco supervisorial committee which pointed out that if San Francisco developed the acreage, San Mateo county resident could use it free.

Ferrell suggested that it could be understood that a low assessment would be placed on the property to make the taxes small, but even this might lead to trouble since other property owners might protest on the grounds of discrimination.

As a result, the board voted on motion of Supervisor Witt, second of Supervisor High, to advise the recreation commission of the ruling so that it could in turn inform the San Franciscans, who had indicated that unless taxes were cancelled, the bay city would not accept the park. Huddart, who died a year ago, willed the estate to San Francisco if it would develop it; otherwise it was to go to the state or San Mateo county, in that order, if developed.

BEACH LOT SALE TO PUBLIC ORDERED

San Mateo county soon will be in the real estate business, offering choice confiscated lots on the coastside to highest bidders!

After authorization had been given the tax collector to sell for $20 each to P. Pedersen three lots at Riviera Ocean Villa which had been taken by the county when taxes had been defaulted, the board, on motion of Supervisor Albert Witt, second of John Poole, voted to have the collector prepare a list of such available sites and advertise them "so all the people in the county can have a chance at them instead of having the cream of them sold off at private sale."

The lots will be only those not desired by the planning commission to further its recreational area acquisition program.

OTHER ITEMS HANDLED BY SUPERVISOR BOARD

The supervisors also:

Upon recommendation of the planning commission, approved application of Mrs. Maggie J. McCray to raise dogs on her newly-purchased place in Dumbarton Acres tract.

After Engineer Marshall reported he already was planning repairs to the roads, filed requests of the Coastside Civic Union and Charlotte Cavalli, Half Moon Bay postmistress, for improvements to roads in the vicinity of the coast community.

Heard District Attorney Ferrell assert that he was of the opinion gasoline tax funds could be used to light all roads of general usage but that he had not as yet had an opinion to this effect from Atty. Gen. U. S. Webb.

Accepted as its policy suggestion of Engineer Marshall that winter be awaited to see if privet hedges scorched by weed burners in East and North Palo Alto come out again. If not, it was decided, the county would consider replacing the hedges damaged by its engineering department crews.

Endorsed initiative measure to appear on November ballot to enable the state to derive revenue from the leasing of oil pools under tidelands and prohibit tideland drilling, pollution of water and interference with recreational uses of beaches.

Referred to District Attorney Ferrell for a recommendation offer of Atty. John F. Davis of Burlingame to codify county ordinances.

Atherton Tax Rate Lowered to 50 Cents

ATHERTON, Aug. 12—A tentative tax rate of 50 cents on each $100 of assessed valuation—one cent less than last year—was set here yesterday at a meeting of the Atherton City Council.

The tax rate breakdown revealed that 46 cents of the tax will be for municipal taxes, while the other four cents will be for bond redemption.

Establishment of the rate came after the council had received official notification from County Controller Edward Stack that the assessable Atherton property is valued at $4,594,515, and that the utility assessment totaled $213,250.

Daylight Intruder Robs Northend Home

BURLINGAME, Aug. 11. — By slashing a screen on a bedroom window, a burglar gained admittance to the home of Mrs. E. E. Anderson and obtained $28 in loot here yesterday. The daylight burglar, entering the house sometime between 10 a.m. and 2 p.m., ransacked several rooms but took only currency, disregarding many valuable objects.

County Budget Legality Still Is Undecided

Daly City Supervisor Hits Civic League 85-Cent Tax Plea

Legality of San Mateo county's proposed 1936-37 budget of $1,523,630, remained in doubt Tuesday despite a heated discussion of the proposed expenditures during an afternoon session of the board of supervisors in which Supervisor Albert Witt Jr. roundly criticized the Civic League for demanding a further cut in the tentative tax rate of 85 cents.

The session followed the one earlier in the day at which the supervisors by a vote of confidence to its management cleared Community Hospital of charges of mistreating its tuberculosis ward patients.

Supervisor Witt himself precipitated the budget discussion. In a reprimanding tone of voice, he referred to printed reports of Saturday in which Supervisor Fred Beer asserted it had been reported that the county budget was over the 5 per cent legal limitation.

"How much is it over?" Witt demanded of Beer.

'ENLIGHTENS' TAXPAYERS

Taken somewhat by surprise by the verbal attack, Beer replied:

"Why don't you ask the controller? I've been trying to find out myself."

Witt then proceeded first to say he wanted "taxpayers enlightened" to the fact that "from my information, the budget is not over the limit," and then to flay the Civic League, organization of prominent taxpayers headed by Percy J. Shaw of South San Francisco as president and Winfield Scott of Atherton as secretary. On Saturday the league had renewed demands for a 75-cent tax rate, with a 65-cent rate held not impossible.

Here's Recipe For Eight Jars Of Peach Jam

Women planning to make peach jam will be interested in this recipe suggested after careful testing by the General Foods Company.

Two and a half lbs. of peaches (fully ripe and soft).

Peel peaches, pit and grind or crush thoroughly.

Use 3½ cups or 1¾ lbs. prepared fruit.

One box of Sure-Jell (powdered fruit pectin).

Four and a half cups or 2 lbs. of sugar.

This will make eight medium glasses of delicious peach jam.

CALIFORNIA TAXPAYERS . . . .
GUARD YOUR HOMES!

Cleverly-baited and deceptively-worded, the ruinous "SINGLE TAX" will appear as PROPOSITION NUMBER 1 on your November ballot.

"Single Tax" is an exorbitant LAND TAX, deliberately designed to DESTROY HOME AND FARM OWNERSHIP! California voters have conclusively demonstrated at seven elections that they would not KNOWINGLY vote for it.

But the "Single Tax," at this year's election, is flying under false colors, it is DISGUISED as a Sales Tax Repeal Act—a definite, flagrant attempt to trick the voter and bilk the taxpayer!

THIS IS YOUR FIGHT

This is not a political issue. It is a fight for financial self-preservation. It is YOUR CAMPAIGN—the campaign of every home-owner, every farmer, every business man, every renter and every worker!

Single Taxers believe that the private ownership of land is "against natural justice" . . . that ALL LAND SHOULD BELONG TO THE STATE, as it does in Soviet Russia . . . that YOU SHOULD RENT THE HOME YOU NOW OWN!

By the brazen expedient of MAKING TAXES HIGHER THAN THE TAXPAYER CAN PAY, it is planned to CONFISCATE YOUR PROPERTY. The average rate would be $11.25 per $100 the first year—increasingly higher in succeeding years! Such rates are PLAINLY CONFISCATORY!

Join your local Committee Against the "Single Tax," or write to this Association for further information. . . . Guard your homes against tax cranks and social revolution . . . PROTECT CALIFORNIA FROM TAX DISASTER!

PAINT PLANT WORKER DIES IN EXPLOSION

Charles Pearson, 51, Killed at Fuller Company Factory

SOUTH SAN FRANCISCO, Aug. 11—South San Francisco's third accidental industrial death in two months was the subject of two investigations today, one by Coroner William Crosby and one by the State Industrial Accident Commission.

Victim of the latest accident, Charles Pearson, 51, of 1571 Fulton street, San Francisco, was instantly killed shortly after 4 o'clock yesterday when his body was hurled nearly 50 feet as the acetylene torch he was using ignited fumes from the fuel tank on which he was working.

Jack Wiley of 741 Elizabeth street, San Francisco, working on the tank with Pearson, suffered severe burns on the face and arms from the explosion.

The accident occurred in the W. P. Fuller Company plant here.

Two men recently died of asphyxiation while cleaning pipes at the plant of the Western Pipe and Steel Company.

Pearson is survived by his wife, Freda.

SCHOOL BUDGET UP

PALO ALTO, Aug. 11 (AP)—A budget of $205,490, compared with last year's $197,359, for support of elementary and high schools here stood approved today by the board of education without protest.

This summer's season of popular concerts in Symphony Hall, Boston, was the most successful in history.

$7470 Turnbull Tax Claimed for State

From the $91,472 estate left by William Turnbull, San Mateo philanthropist and board of education member, the state will reap $7,470.30 in inheritance taxes, under an order signed today by Superior Judge A. R. Cotton. From Miss Jessie Condie, chief beneficiary under Turnbull's will, will come $7,395; from Georgiana Craig, another legatee, $75 on a $2,000 inheritance. Miss Condie secured $80,585 from the estate, according to the report of H. C. Tuchsen, appraiser. Much of her share, however, went to settle a contest, and to pay attorneys' fees.

Sleepy Driver Unhurt As Car Overturns

C. F. Collonan, San Francisco, escaped injury here early today when he fell asleep while driving and his machine hit a telephone pole on the Bayshore highway and then turned over. The accident took place at 3 a.m. opposite Samson street.

Brisbane Man Hurt Walking Into Car

BRISBANE, Aug. 11. — James Ligett, 49, of Brisbane reversed the usual order of automobile-pedestrian accidents when he walked into the side of an automobile driven by Arthur Helton of San Jose on the Bayshore highway here at 4 a.m. today.

Ligett was taken by ambulance to the South San Francisco Hospital where physicians said that he was not seriously hurt. After treatment for lacerations and contusions of the scalp and for a deep cut on his chin, he was released. Helton was not held.

There needn't be any strings attached to these new, green beans when you serve them. This last crop of green beans is so crisp and tender that getting all the strings off is no trick at all. String beans are at their best, I think, cooked with a small amount of water and a chunk of butter in a heavy, tightly covered kettle. Then all the natural goodness of the fresh vegetable is retained and the flavor is enhanced by the butter.

It's enhanced, that is, if you are sure to use Golden State butter. Its fresh, golden richness makes everything taste better. The secret of Golden State butter's natural goodness lies in the rich, sweet cream from which it is made. Always make sure you get Golden State butter.

MENLO PARK NEWS

The annual San Mateo County Horse Show opened last Saturday afternoon to continue for a week. The Menlo Circus Club is the mecca for peninsula horse lovers. Mary Pickford and other movie stars are to be there. This is the most successful show ever to take place at the Circus Club. The attendance is large and the program very satisfactory.

Louis Ledesma brought in the first deer of the season this week. The buck weighed 115 pounds.

Miss Frances Logan, the beautiful daughter of Mr. and Mrs. Jam ful daughter of Mr. and Mrs. James Logan, was united in marriage last Saturday to Emile Campagne. The wedding took place in the old Carmel Mission church, Monterey.

After the ceremony the wedding party motored back to Menlo Park, where a reception was held at the home of Mrs. Foster Andrews. Only relatives and a few friends attended.

The young couple left late in the afternoon for Vancouver to spend their honeymoon, and on their return will reside on Johnson avenue, Menlo Park. Mr. and Mrs. Campagne are graduates of Sequoia high school.

The Pencocis Sheet Metal Works of Millbrae has leased the Ahlert building on Oak Grove avenue. The concern is now open for business.

A baby girl was born to Mr. and Mrs. Jack Doherty in St. Mary's Hospital, San Francisco, Wednesday. Mr. Doherty is one of the operators of the Associated Oil Company service station on the highway.

Mr. and Mrs. George Angus have motored to Lake Tahoe to spend 10 days.

The San Mateo County WPA orchestra will give a concert at the Central School in Menlo Park the evening of Wednesday, August 19, at 8 o'clock.

Transit Ideas Are Presented

Airtram Plan Revived; One-Man Cars Hit By Ordinances

At a session which saw revival of the Strauss airtram idea for rapid transit, the San Francisco Board of Supervisors Monday night refused a $50,000 appropriation for preliminary work requested by the Public Utilities Commission, referring it instead to the finance committee.

Study of the airtram was advocated by the Metropolitan Rapid Transit Association, through Paul Verdier. Proponents of the system were invited to present it in more detail next Monday.

The Mission Street Merchants' Association sent the board a letter opposing any subways. It was invited also to appear before the board, which has reopened the entire transit question.

Also proposed last night was a system combining subways, elevated and surface lines, to cost about $25,000,000—half of the proposed subway system cost. It was presented by Cleve E. Shaffer. Several other ideas also were presented.

HIT ONE-MAN CARS

The supervisors at their session passed two ordinances designed to hamper operation of one-man street cars.

One measure forbids further operation of the one-man trolleys on Ninth, Larkin, Polk and the Third and Kearney lines. The latter is used by commuters from the Third and Townsend depot to the uptown district. The other measure prohibits operators from making change, issuing transfers or collecting fares.

Doubt of legality of the ordinances was expressed, however, by attorneys because of a federal injunction enjoining the city from enforcing the original ordinance against one-man cars.

Asst. City Atty. Henry Heidelberg, however, saw a possibility the laws could be enforced by the sheriff. The injunctions are only against the police department and district attorney.

GIVE ROAD EASEMENT

The supervisors also authorized a conveyance of road easement to San Mateo county for Ralston avenue cut-off; approved an ordinance authorizing the police commission to install parking meters in San Francisco; referred to finance committee communication from Joint Highway District No. 9 notifying city of assessment on Waddell-Davenport unit of Ocean Shore highway; requested Mayor Rossi to appoint a committee to aid in laying of cornerstone of Livestock Exposition Building in Visitacion Valley on August 18.

Burlingame Okehs $237,057 Budget

BURLINGAME, Aug. 11 — Approving a 1936-37 city budget of $237,057, the Burlingame City Council last night set the tax rate at $1.36, two cents less than last year.

One of the largest items in the budget is $23,925 for WPA projects, including $9,670 as the city's 45 per cent contribution to the $21,489 WPA project for a new city jail to be located back of the city hall.

One house, on DeLancey street, Philadelphia, has a terrapin farm on its roof.

Board to Delay Coast Road Plea Pending Studies

Before San Mateo county taxpayers will be assessed for construction of the Waddell-Davenport unit in the Santa Cruz county of the Ocean Shore highway, a meeting of the local supervisors and directors of Joint Highway District No. 9 and one of the supervisors and State Highway Commission will be held in an attempt to learn the definite policy of the state towards the road, the board decided Monday.

The decision came, upon motion of Supervisor Witt and second of Supervisor John Poole, after Engineer A. V. Bowhay of San Francisco had asked the board to assess the county for $22,500 this year as its share of the new unit, and for $6000 right-of-way costs.

In making his motion, Witt insisted that the state should put up more than half of the $300,000 estimated cost of the unit, pointing out that it had aided other sections of the state more than San Mateo county. He particularly cited the appropriation of a million dollars for the Waldo approach to the Golden Gate Bridge.

"Before we levy an assessment, we should know how much the state is going to give us," Witt asserted.

"This is no time to ask the taxpayers for an assessment. If the state commission will agree to allocate within the next biennium enough funds for the entire Ocean Shore railroad, then I will go along with them, but not until."

NUDIST WINS PAROLE

Justus Urban, 40, one of the two nudists arrested July 12 on the San Mateo county coastside and sentenced to six months in the county jail for indecent exposure, has been paroled by the county parole board. Fred Zverina, 39, arrested at the same time, is still in jail.

THE MAYTAG SEDIMENT TRAP
makes clothes cleaner!

● When Maytag introduced the cast-aluminum tub washer, with Gyratator washing action, new speed and gentleness were brought to home washing. But there is another reason why a Maytag makes the clothes so clean and white. It is the sediment trap underneath the Gyratator in the bottom of the tub. The grit and grime collect in this trap, instead of being washed back into the clothes. This is just one of many advantages which won world leadership for the Maytag. Each week a Maytag creates savings to help provide the easy payments. Any Maytag available with gasoline Multi-Motor.
